Process & Systems Design

WORK EXPERIENCE

Startup Boston Dec 2024 - Dec 2025

Communications & Operations Associate | Boston, MA

- Managed editorial operations for Boston's startup ecosystem nonprofit -- contributor pipeline, publishing workflow, and CRM communications; primary liaison between editorial team and digital audience segments

Adobe Nov 2024 - Apr 2025

Campus Ambassador | Boston, MA -- Led 3+ product workshops for 150+ students; designed session flow and owned campus activation strategy with Adobe's national brand team

Rinima Insights Jun 2023 - May 2024

Operations Associate | Remote

- Designed intern pipeline end-to-end -- structured intake system, evaluation rubrics, and onboarding process for 5+ hires; reduced new-hire ramp time by ~50%
- Partnered with CEO across 10+ client engagements on org design, program scoping, and proposal development; applied I/O psychology frameworks to 3+ organizational assessments

GUSAC, GITAM University Jul 2022 - Jun 2023

Operations & Partnerships Lead | Visakhapatnam, India

- Ran 3 campus events for **3,000+ participants** on a **\$15K budget**; zero overruns -- coordinated 5+ cross-functional teams across vendors, student orgs, and admin; closed Red Bull as first-ever brand partner; built reusable logistics framework adopted by 5+ teams; promoted in 12 months

EDUCATION

MS in Project Management (STEM) -- Northeastern University, Boston, MA Sep 2024 - Jun 2026
